

EMPLOYMENT READINESS PROGRAM

1. Information & Referral

ERP is ready to assist you in your job search. We provide information and referral to local private sector jobs, federal jobs, and offer individual appointments to tailor job search to your specific qualifications and interests.

2. Workshops

ERP offers a variety of workshops to include “Enhancing Your Job Search Skills”, “Making Yourself Look Good on Paper”, “Starting and Financing a Small Business”, and “Merchandising your Volunteers Skills for Job Credit.” “Handouts and Hints” is offered prior to each spring and fall Job Fair to prepare job seekers for the upcoming experience. Additional workshops on the Spouses to Teachers Program and Virtual Business Opportunities are offered periodically.

3. Job Fairs

Held bi-annually, spring and fall. Held at Gibbs Hall on Tinton Avenue.

4. Summer Youth Volunteer Program

SYVP is a 6 week summer experience in the “World of Work.” Teen age family members of active and retired military as well as the Fort Monmouth workforce gain experience through 2-3 half days per week of volunteer service on the installation. Students complete an application, are interviewed and processed, attend Orientation and are offered a variety of workshops.
