

ACS VOLUNTEER PROGRAMS

1. Widowed Support Group

Army Community Service hosts this group that provides support to recent widows. Camaraderie is provided through social functions held twice a year. Army Community Service utilizes some members as volunteers for special events and projects, such as, Job Fair, AER mailing and distribution of the ACS Bulletin.

2. Baby Bundle Program

The Army Community Service on Fort Monmouth would like to welcome your newborn baby with a complimentary baby bundle. All Military assigned or attached to Fort Monmouth or Coast Guard assigned to Sandy Hook, or if your sponsor was deployed from Fort Monmouth and is on an unaccompanied tour are eligible for the gift.

Bundles may be picked up at ACS, Building 812, Murphy Drive, Fort Monmouth within six weeks of the birth of your baby.

Our generous volunteers contribute items such as knitted hats, crocheted afghans and homemade quilts, and the Fort Monmouth Officers' Wives' Club provides financial support.

3. Special Events

Special event volunteers assist on an as needed basis. During the year ACS may have a project or event that may need assistance from volunteers.
